Comprehensive Concealed Carry/Self-Defense Insurance Package

This is a brief explanation of what we need in order to get you covered properly for a self-defense shooting. *If you have any questions please give Chris Monge (pronounced "M-on-Jee") a call at **608-663-9800** or Toll Free **877-803-4310**.*

What we need to get you covered:

There are two parts to the coverage package...

1. First we need to enroll you in the Concealed Carry Legal Fee membership organization. The memberships start at \$129 per year and provide payment for all of your legal fees relating to the lawful possession of a firearm and self-defense shootings. There is no limit to the amount of legal fees paid on your behalf. You simply call the 24hr hotline and inform them of your self-defense shooting and they find, retain and pay for your attorney all the way through trial if necessary.
2. Call Chris at **608-663-9800** or Toll Free at **877-803-4310** if you have more questions on this organization.

THEN...

1. You need to complete the Auto and Home information sheets as completely as possible, fill out the Recreational Vehicle questionnaire and email them to cmonge@tds.net or FAX them to **888-414-8996** along with copies of your current Declarations Pages for all lines of insurance you need. You can also mail them to Chris at:

2. Once we have the completed information sheets, questionnaire and your current Declarations Pages we'll do a brief phone call to make sure we have all the information needed to complete your quotes.
3. Once we have your quotes ready we'll do a brief phone call and explain the coverage and costs for each line of business including a Personal Umbrella that will provide coverage for Civil Suits stemming from protection of person or property (Self-Defense).
4. After going over the information, you will make the final decision on which policy(s) you would like to purchase in order to include the Personal Umbrella policy in your coverage package (*we need to have at least one of either the home or auto with our chosen carrier to be able to issue the Personal Umbrella policy*).
5. Once the decision is made on the coverages we can get payment information over the phone, get coverage in force and send you the applications for signature and return to us for processing.

The approximate time to get your quotes done and coverage in place will be by the end of the next business day.

That's it – then you'll have your coverage in place!

Remember, the Personal Umbrella policy will not only provide coverage for civil suits arising out of protection of person or property, but it is also additional liability insurance should you need it, for all policies listed underneath the umbrella policy (autos, home, ATV's, boats, etc.).
